**A:** 1204, Kingston Tower, Parel  
Village , Mumbai - 400033

### | BTECH IN COMPUTER SCIENCE ENGINEERING WITH SPECIALIZATION IN DATA SCIENCE

#### | OBJECTIVE

To discover the depth of knowledge in computer science field,enhance research skills with hands on experience to take on bigger responsibilities in future roles.

#### | PERSONAL INFORMATION

##### D.O.B.

22nd, June 2004

##### RESIDENCE

Mumbai, Maharashtra

##### LANGUAGES

English, Hindi, Marathi,Spanish

#### | TECHNICAL COMPETENCIES

C

C++

Java

Python

Web Development ( html , java script , css , bootstrap)

Fundamentals of image processing

Data structures and algorithms

#### | EDUCATION

##### 2022 - Present

Vellore Institute of  
Technology, Vellore  
CGPA : **9.55**

##### 2020 - 2022

HSC - K.C College, Mumbai  
Percentage : **85.67**

##### 2020

ICSE-Christ Church School,  
Mumbai  
Percentage : **96.20**

#### | RESEARCH

Currently pursuing:

Research project based on multisensor VRU detection for  
Autonomous Vehicles

Research on artificial intelligence and its societal implications

#### | RESPONSIBILITIES

Core Committee Member- IEEE TEMS (technology engineering  
and management society)

Chapter in VIT . Managed the event Code Rush for Technical  
fest 'Gravitas' 2023

Programme Representative (PR) for the Data Science branch  
having achieved a top-three ranking. (2022- present)

#### | CLUBS

IEEE TEMS

Youth Red Cross Association (YRC)

Association for computing machinery (ACM)

The institute of engineering management society(IET)

#### | INTERESTS

Reading , Music, Travelling & Dancing
